Anti-Money Laundering and Counter-Terrorist Financing Legislation

Pursuant to Directive 2018/843/EU on the prevention of the use of the financial system for the purposes of money laundering or terrorism financing and the Luxembourg Law of 12 November 2004, as amended, all professionals of the financial sector are obliged to take measures to prevent the use of UCITS for money laundering and terrorist financing purposes. Accordingly, the Management Company has established a procedure to identify all its Investors. To meet requirements Investors should submit necessary identification documents together with the application form. Legal entities will be required to produce documents such as proof of regulation, membership to a recognised stock exchange, company statutes or other constitutive documents as applicable. The Management Company is also obliged to identify any beneficial owners of the investment. The requirements apply to both direct purchases to FTIF and indirect purchases received from an intermediary. The Management Company reserves the right to ask at any time for additional information including document evidence, such as source of funds and origin of wealth, as may be required in higher risk scenarios or to comply with any applicable laws and regulations. In case of delay or failure to provide such information and/or documentation, the Management Company may delay or reject the processing of purchase or sale instructions, or any other transaction. The Management Company may also delay or suspend the payment of dividends until relevant and satisfactory information and/or documentation is received. Neither FTIF nor the Management Company have any liability for delays or failure to process deals as a result of the Investor providing no or only incomplete information and/or documentation. Such information provided to the Management Company is collected and processed for anti-money laundering and counter-terrorist financing compliance purposes.

Foreign Account Tax Compliance Act (FATCA)

The Foreign Account Tax Compliance Act ("FATCA"), which is an amendment to the U.S. Internal Revenue Code, was enacted in the United States in 2010 and many of the operative provisions became effective on July 1, 2014. Generally, FATCA requires financial institutions outside the US ("foreign financial institutions" or "FFIs") to provide the U.S. Internal Revenue Service ("IRS") with information about financial accounts held directly or indirectly by certain specified US persons. A 30% withholding tax is imposed on certain types of US source income paid to an FFI that fails to comply with FATCA. On 28 March 2014, the Grand-Duchy of Luxembourg entered into a Model 1 Intergovernmental Agreement ("IGA") with the United States of America and a memorandum of understanding in respect thereof. FTIF would hence have to comply with such Luxembourg IGA, once the IGA has been implemented into Luxembourg law in order to comply with the provisions of FATCA rather than directly complying with the US Treasury Regulations implementing FATCA. Under the IGA, FTIF will be required to collect information aiming to identify its direct and indirect Shareholders that are US Persons for FATCA purposes ("reportable accounts"). Any such information on reportable accounts provided to FTIF will be shared with the Luxembourg tax authorities which will exchange that information on an automatic basis with the Government of the United States of America pursuant to Article 28 of the convention between the Government of the United States of America and the Government of the Grand-Duchy of Luxembourg for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes in Income and Capital, entered into in Luxembourg on 3 April 1996. FTIF intends to comply with the provisions of the Luxembourg IGA as implemented in Luxembourg law to be deemed compliant with FATCA and will thus not be subject to the 30% withholding tax with respect to its share of any such payments attributable to actual and deemed U.S. investments of FTIF. FTIF will continually assess the extent of the requirements that FATCA and notably the Luxembourg IGA as implemented in Luxembourg law places upon it. As from the date of signature of the Luxembourg IGA and until the Grand Duchy of Luxembourg has implemented the national procedure necessary for the entry into force of the IGA, the United States Department of the Treasury will treat FTIF as complying with and not subject to the FATCA Withholding.

To ensure FTIF's compliance with FATCA and the Luxembourg IGA in accordance with the foregoing, Franklin Templeton Investment Services S.à r.l., in its capacity as FTIF's Management Company, may:
